

NORTHVIEW SUMMER SCHOOL-WIDE READING

As you read, think about the questions below. You do not have to write your responses, but be prepared to discuss these when you return to school.

1. Have you ever experienced a failure similar to Luma's with Ashtons? If so was it difficult to overcome? If not, what would you do for someone who has?
2. Did any of the refugee's stories impact you? What made this story unique to you?
3. How did Luma's determination affect you? Why do you think she guards her emotions?
4. What is your "escape" from the world? How does it make you relate to the Fugees?
5. In what ways did the town of Clarkston surprise you? Do you think certain people saw good things out of the town's actions? Explain.
6. Why did Luma giveup on the Under-Fifteens? Is this the attitude every coach should have? Explain.
